

2021 Program at Temple University - Details

COURSE DATES:

The next TRIP course will be held at Temple University in Philadelphia, PA on Tuesdays and Thursdays from July 6, 2021 through August 5, 2021 (five consecutive weeks). After the in-lab portion of the course concludes, students present their work at a scientific symposium on Saturday August 14, 2021.

#1 – Tuesday July 6

#2 – Thursday July 8

#3 – Tuesday July 13

#4 – Thursday July 15

#5 – Tuesday July 20

#6 – Thursday July 22

#7 – Tuesday July 27

#8 – Thursday July 29

#9 – Tuesday August 3

#10 – Thursday August 5

Practice talks - Week of August 9

Symposium – Saturday August 14

SESSIONS:

Two sessions of the program will be offered where Session A meets from 8:30 am – 12:15 pm and Session B is from 1:15 am – 5:00 pm; both sessions attend the all-day symposium, which typically runs from 8:15 – 4:30 pm. Up to 8 students will be enrolled in each session. All classes will be held at Temple University in Philadelphia, PA.

PROGRAM REQUIREMENTS:

Philadelphia-area students currently enrolled in grades 9-12 are eligible to apply to TRIP. Rising freshman and graduating seniors are also welcome to apply.

Completion of at least one high school biology or chemistry course is preferred, but not required.

Extra help is available for those students without previous coursework.

Students must commit to attend ALL days of the program (including the all-day symposium) in either Session A or B. NO EXCEPTIONS will be made to the attendance policy.

Parents/Guardians must confirm and agree to the attendance policy.
